Proposed Amendments to the Constitution
As they appeared on the ballot

QUESTION NO. 1

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held March 29, 1961, received 219 votes in the affirmative and 26 in the negative, and in a joint session of the two branches held May 8, 1963, received 244 votes in the affirmative and 14 in the negative?

YES	
NO	

SUMMARY

The proposed amendment provides that the terms of office of the Governor, Lieutenant Governor, Secretary of the Commonwealth, Treasurer and Receiver General, Attorney General and Auditor shall be four years. Executive Councillors, Senators and Representatives shall continue to serve for two years. The four-year term for constitutional officers would become effective at the time of the November election in the year 1966.

QUESTION NO. 2

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held July 18, 1962, received 238 votes in the affirmative and 1 in the negative, and in a joint session of the two branches held May 8, 1963, received 246 votes in the affirmative and 2 in the negative?

YES	
NO	

SUMMARY

In the event that any public office, whether elective or appointive, shall become vacant as a result of enemy attack, the proposed amendment would enable the General Court to provide for prompt and temporary succession to the powers and duties of such offices, and to take steps to insure continuity of government of the Commonwealth and its political subdivisions.

QUESTION NO. 3

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held March 29, 1961, received 251 votes in the affirmative and 0 in the negative, and in a joint session of the two branches held May 8, 1963, received 252 votes in the affirmative and 3 in the negative?

YES	
NO	

SUMMARY

The proposed amendment provides that the credit of the Commonwealth may be given, loaned or pledged only by a two-thirds vote of each branch of the Legislature. In no event shall the credit of the Commonwealth be given or loaned to or for any individual, private association or corporation privately owned or managed.

QUESTION NO. 4

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held July 18, 1962, received 220 votes in the affirmative and 24 in the negative, and in a joint session of the two branches held May 8, 1963, received 258 votes in the affirmative and 1 in the negative?

YES	
NO	

SUMMARY

The proposed amendment authorizes both the Governor and the Executive Council to require opinions of the Justices of the Supreme Judicial Court on questions of law. The present requirement that the Governor and Council agree before a question may be submitted would be annulled.

QUESTION NO. 5

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below which was disapproved in the House of Representatives by a vote of 109 in the affirmative and 109 in the negative and was disapproved in the Senate by a vote of 16 in the affirmative and 20 in the negative?

YES	
NO	

SUMMARY

The proposed measure provides that henceforth appointments in the executive branch of the government shall not require the advice and consent of the Governor's Council. Exceptions to this provision include appointments to the Youth Service Board, Industrial Accident Board, Commission of the Department of Public Utilities, Parole Board and Appellate Tax Board, which appointments shall continue to require Council action. However, should the Council fail to act upon such appointments within thirty calendar days, then the person involved shall be deemed to have been lawfully appointed. Any appointment in the executive branch by an officer other than the Governor which heretofore required Council approval shall henceforth require approval by the Governor.

Removals from office shall no longer require the advice and consent of the Council, except in the case of the Youth Service Board, which re-

QUESTION NO. 6

LAW SUBMITTED UPON REFERENDUM AFTER PASSAGE

Do you approve of a law summarized below, which was approved in the House of Representatives by a vote of 180 in the affirmative and 40 in the negative and was approved in the Senate by a vote of 28 in the affirmative and 5 in the negative?

YES	
NO	

SUMMARY

Under the Act, effective as of January 1, 1964, each member of the General Court shall receive seventy-eight hundred dollars for each regular annual session, the President of the Senate and Speaker of the House of Representatives shall each receive the same amount as additional compensation, and the floor leaders of each of the major political parties in the Senate and House, the Chairman of the Senate Committee on Ways and Means and the Chairman and Vice-Chairman of that committee of the House, shall each receive thirty-nine hundred dollars as additional compensation, to be paid as provided in the Act. After the same date the annual expense allowance is to be six hundred dollars for each member and the travel allowance is to be eight cents per mile with a stated minimum and an alternative, and a member chosen to fill a vacancy or who resigns during a session is to be entitled to per diem compensation at the rate for each regular annual session and to the allowances for travel and other expenses for the time of his membership.

It is also provided that in addition to the compensation for the 1963 annual session the President of the Senate and Speaker of the House shall be paid thirty-nine hundred dollars, the floor leaders of each major political party in the Senate and House, the Chairman of the Senate Committee on Ways and Means and Chairman and Vice-Chairman of that committee of the House, shall be paid twenty-nine hundred and twenty-five dollars and each other member shall be paid nineteen hundred and fifty dollars. Each member shall also be entitled to an additional expense allowance of two hundred dollars for the calendar year 1963 and the travel allowance shall be at the rate of eight cents per mile with a stated minimum and an alternative for the balance of the calendar year 1963.

movals must still receive Council approval. As in the case of appointments still requiring Council approval, such recommended removal from the Youth Service Board must be acted upon by the Council within thirty calendar days; otherwise the proposed removal shall become effective as if approval had been given. In the case of any appointment which heretofore required Council approval the Governor may, within fifteen days of the making of the appointment, remove the person appointed without cause.

The Council shall no longer be required to approve the fixing of any compensation for services rendered in the executive department. And henceforth there need be no approval by the Council of actions or agreements by executive officers, including but not limited to borrowings and loans, investments, leases, licenses, purchases and conveyances, and contracts, and also including the promulgation of rules and regulations.

Notwithstanding the foregoing, the Governor shall at all times remain free to seek the advice and consent of the Council upon any matter.

Proposed Amendments to the Constitution
As they appeared on the ballot

QUESTION NO. 1

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held June 11, 1963, received 228 votes in the affirmative and 29 in the negative, and in a joint session of the two branches held May 5, 1965, received 225 votes in the affirmative and 24 in the negative?

YES	
NO	

SUMMARY

The proposed amendment provides that at state elections candidates for Governor and Lieutenant-Governor shall be grouped on the official ballot according to the party that they represent and that it shall not be possible to vote for Governor and Lieutenant-Governor except as a partisan group.

QUESTION NO. 2

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held July 16, 1963, received 169 votes in the affirmative and 100 in the negative, and in a joint session of the two branches held May 5, 1965, received 200 votes in the affirmative and 61 in the negative?

YES	
NO	

SUMMARY

The proposed amendment provides that the Governor, for the purpose of making certain structural changes in the executive department, may from time to time prepare reorganization plans to be presented to the General Court. If the General Court fails to disapprove a reorganization plan within sixty days of its presentation and has not prorogued by the end of such sixty days, the plan at that time shall have the force of law.

QUESTION NO. 3

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held June 11, 1963, received 232 votes in the affirmative and 18 in the negative, and in a joint session of the two branches held May 19, 1965, received 159 votes in the affirmative and 91 in the negative?

YES	
NO	

SUMMARY

The proposed amendment authorizes the Commonwealth and the cities and towns therein to provide for municipal industrial development in such manner as the General Court may determine.

QUESTION NO. 4

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held July 16, 1963, received 208 votes in the affirmative and 43 in the negative, and in a joint session of the two branches held May 19, 1965, received 219 votes in the affirmative and 39 in the negative?

YES	
NO	

SUMMARY

The proposed amendment confers considerable authority upon cities and towns with respect to the conduct of municipal government, including the authority to adopt, repeal and amend city and town charters and, in accordance therewith, local ordinances and by-laws. The General Court retains general power to act in relation to cities and towns and classes thereof and, in some circumstances, to enact special laws regarding a particular municipality, including laws for its incorporation, dissolution or merger. Cities and towns are not empowered to act with respect to general elections, taxation, pledges of credit, dispositions of park land, general civil relationships, the punishment of felonies, or the imposition of imprisonment except as the General Court may lawfully confer such powers upon them.

QUESTION NO. 5

LAW SUBMITTED UPON REFERENDUM AFTER PASSAGE

Do you approve of a law summarized below, which was approved in the House of Representatives by a vote of 118 in the affirmative and 102 in the negative and was approved in the Senate by a vote of 21 in the affirmative and 16 in the negative?

YES	
NO	

SUMMARY

The Act imposes a temporary tax upon all retail sales of tangible personal property at the rate of three per cent of the selling price. Sales of certain items are exempted from the tax, including but not limited to sales of food products for human use, articles of clothing, prescription medicines, agricultural machinery and certain publications. The statute contains specific provisions relating to the registration of vendors, the filing of returns and the payment of the amounts collected by such vendors. Vendors may apply to the State Tax Commission for abatements of the amounts owed where they believe such amounts to be excessive, and decisions of the Commission on such applications

(CONTINUED)

may be reviewed by the Appellate Tax Board. The Commissioner of Corporations and Taxation shall have the usual powers and remedies provided for tax collection for the collection of the taxes imposed by this section. The State Tax Commission shall issue regulations necessary for proper administration and enforcement of the section.

The Act further imposes a temporary excise upon the storage, use or other consumption in Massachusetts of tangible personal property at the rate of three per cent of the sales price of such property. Sales upon which the retail sales tax described above has been imposed, or which are exempt from the retail sales tax, shall be exempt from the use tax. Sales upon which a tax has been paid in another jurisdiction shall also be exempt. Assessment, abatement and collection of the use tax shall be governed by the provisions which relate to the tax upon retail sales. The tax upon retail sales and the excise upon storage, use or other consumption shall be effective during the period from April 1, 1966 to December 31, 1967.

Each qualified taxpayer shall be entitled to a credit of four dollars for himself, four dollars for his spouse and eight dollars for each qualified dependent, but such credit shall not be allowed if the taxable income of such individual and his spouse exceeds five thousand dollars for the year. In addition to the taxes described above, the Act provides for new excises upon certain banks; new taxes upon the income of certain corporations; new taxes upon cigarettes; a room occupancy excise upon rent paid for the use of hotel rooms and other lodging places; and excises upon sales of certain alcoholic beverages.

The Act creates the Local Aid Fund for the purpose of providing educational assistance, and authorizes the periodic distribution of amounts from such Fund to the cities and towns. In addition, the Act contains a variety of provisions relating to the program of State aid to public schools, and to its administration.

QUESTION NO. 6

Do you approve of an act passed by the General Court in the year nineteen hundred and sixty-six, entitled "An Act imposing a temporary tax on retail sales, and a temporary excise upon the storage, use or other consumption, of certain tangible personal property, revising and imposing certain other taxes and excises, establishing the Local Aid Fund, and providing for the distribution of funds therefrom to cities and towns?"

YES	<input type="checkbox"/>
NO	<input type="checkbox"/>

QUESTION NO. 1

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held June 16, 1965, received 210 votes in the affirmative and 26 in the negative, and in a joint session of the two branches held May 10, 1967, received 220 votes in the affirmative and 9 in the negative?

YES	
NO	

SUMMARY

The proposed amendment of the Constitution increases from five days to ten days the period of time the Constitution gives the Governor to act upon measures passed by the Legislature and submitted to him for approval. No other changes are made in the several Constitutional provisions relative to action by the Governor upon such measures.

QUESTION NO. 2

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held August 30, 1966, received 188 votes in the affirmative and 46 in the negative, and in a joint session of the two branches held May 10, 1967, received 174 votes in the affirmative and 78 in the negative?

YES	
NO	

SUMMARY

The proposed amendment of the Constitution authorizes the Legislature to impose an income tax graduated according to total income, and authorizes the granting of reasonable exemptions, deductions and abatements, as an alternative to the exercise of the Legislature's existing power to tax income under Article 44 of the Amendments to the Constitution. Without limiting the foregoing authorization, the proposed amendment permits any such tax to be imposed at a uniform percentage of an individual's federal income tax liability or at graduated rates applied to his total income taxable federally, and it permits reasonable variations of any federal provision. It requires that the graduated rates, exemptions, and deductions be set without regard to the kind of income being taxed.

QUESTION NO. 3

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held July 20, 1966, received 225 votes in the affirmative and 1 in the negative, and in a joint session of the two branches held June 15, 1967, received 210 votes in the affirmative and 2 in the negative?

YES	
NO	

SUMMARY

The proposed amendment of the Constitution defines the circumstances in which a Governor's inability to perform his functions shall cause his office to become vacant, and it establishes a procedure for making the necessary determinations. The office will become vacant following a declaration of disability by the Governor himself or by the Chief Justice and a majority of the Associate Justices of the Supreme Judicial Court, or such other body as the Legislature may provide. The vacancy will terminate four days after the Governor declares that no disability exists, unless (1) within that period the Chief Justice and majority of the Associate Justices, or such other body provided by the Legislature, should make a contrary declaration and (2) within another stated period the Legislature, by two-thirds of each branch present and voting, then determines the issue contrary to the Governor's declaration.

The same procedure will also apply to a Lieutenant Governor who in the case of a vacancy is performing the Governor's duties.

The proposed amendment also requires the election of a Governor for the unexpired balance of the four-year term if a vacancy in the office of Governor as described in the proposed amendment continues for a six-month period expiring more than five months prior to a biennial state election other than an election for Governor.

QUESTION NO. 4

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, upon which the House of Representatives did not vote and upon which the Senate did not vote?

YES	
NO	

SUMMARY

The proposed law provides that the official ballot in the biennial State election for the year 1970 shall contain a question asking the voters whether there shall be a convention in 1971 to (1) revise, alter or amend the constitution of the Commonwealth on the following subjects, insofar as they relate to the structure of government, and no others: the Executive Branch; the General Court; the Executive Council; the government of cities, towns and counties and their relationship to each other and to the government of the Commonwealth; (2) simplify and rearrange the constitution, and (3) provide methods of amendment thereof. The question will state that the convention shall not consider or propose any measure which relates to the Massachusetts Declaration of Rights, the provisions of the Massachusetts constitution concerning the "Judiciary Power" (other than provisions respecting the Executive Council), or any of the excluded matters enumerated in Article XLVIII, II, Section 2 of the Massachusetts constitution. The question will fix the number of delegates to the convention at 150, of whom 20 members shall be members of the General Court; the remaining 130 members shall be elected by the voters in the manner summarized below. The question will also state that the convention shall conclude its business not later than 120 days from its first session.

The proposed law provides that if a majority of the votes on the foregoing question is in the affirmative, the convention shall be held in July, 1971 to revise, alter or amend the constitution on the matters enumerated above only. The House of Representatives and the Senate shall each elect as delegates 10 of its members, not more than 6 from each branch coming from the same political party. Of the remaining 130 delegates, 10 shall be elected at large and 120 shall be elected from the 40 senatorial districts, 3 from each. Provision is made for the manner of nominating and electing these 130 delegates, without party or political designation, for filling vacancies occurring in the position of any delegate, from whatever source chosen, and for the conduct of the convention's business.

Any revisions, alterations and amendments of the Massachusetts constitution adopted by the convention shall be submitted to the people at the State election in 1972 for their ratification and adoption in such manner as the convention may direct. If a majority of the people voting thereon ratify and adopt such revision, alteration or amendment, the constitution shall be deemed to be changed accordingly.

The proposed law also provides that if the vote on the question to be submitted at the biennial State election in 1970 is in the affirmative, the Governor shall appoint a preparatory commission of 5 members to compile data to aid the convention in the discharge of its duties. Each member of the commission shall receive compensation of \$10,000 and the commission may expend a sum not in excess of \$200,000, as the Governor may approve, for its expenses.

QUESTION NO. 5

A. Shall licenses be granted in this city (or town) for the sale therein of all alcoholic beverages (whiskey, rum, gin, malt beverages, wines and all other alcoholic beverages)?

YES	
NO	

B. Shall licenses be granted in this city (or town) for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)?

YES	
NO	

C. Shall licenses be granted in this city (or town) for the sale therein of all alcoholic beverages in packages, so called, not to be drunk on the premises?

YES	
NO	

D. Shall licenses be granted in this city (or town) for the sale of all alcoholic beverages by hotels having a dining room capacity of not less than ninety-nine persons and lodging capacity of not less than fifty rooms?

YES	
NO	

In all Cities and Towns except Bolton, Burlington, Lexington, Wakefield, and Woburn.

QUESTION NO. 1

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held August 25, 1971, received 212 votes in the affirmative and 39 in the negative, and in a joint session of the two branches held June 6, 1973, received 235 votes in the affirmative and 19 in the negative?

YES	
NO	

SUMMARY

The proposed constitutional amendment, if approved, would replace the present Article 52 of the Articles of Amendment to the Constitution of the Commonwealth and would empower the General Court, by concurrent vote of the two houses, to take a recess or recesses amounting to not more than thirty days. The present Article 52 permits such recesses but provides that "no such recess shall extend beyond the sixtieth day" from the beginning of the legislative session.

QUESTION NO. 2

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, **which was approved by the General Court in a joint session of the two branches held August 25, 1971, received 177 votes in the affirmative and 65 in the negative, and in a joint session of the two branches held June 6, 1973, received 166 votes in the affirmative and 93 in the negative?**

YES	
NO	

SUMMARY

The proposed constitutional amendment, if approved, would provide for a census in the year 1975 and every tenth year thereafter of the inhabitants of each city and town as a basis for determining the representative, senatorial and councillor districts for the ten year period beginning with the first Wednesday in the fourth January following the taking of the census, provided that the districts as established based on the 1971 census shall terminate on the first Wednesday in January, 1979. The census shall specify the number of inhabitants residing in each precinct of a town and each precinct and ward of a city.

Under the proposed amendment, the House of Representatives would consist of 160 members, in contrast to the present membership of 240, and the Senate of 40 members. The General Court would, at its first regular session after the year in which the census is taken, divide the Commonwealth into 160 representative districts and 40 senatorial districts of contiguous territory so that each representative and each senator will represent an equal number of inhabitants as nearly as may be; and such districts shall be formed, as nearly as may be, without uniting two counties or parts of two or more counties and, with respect to representative districts, without uniting, as nearly as may be, two towns or parts of two or more towns, two cities or parts of two or more cities, or a city and a town, or parts of cities and towns, into one district, and without dividing any town containing less than 2500 inhabitants. The General Court would be permitted to pass laws to limit the time within which judicial proceedings may be instituted calling in question any such division. The proposed amendment further provides that every representative, for one year at least immediately preceding his election, shall have been an inhabitant of the district for which he is chosen, and every senator shall be an inhabitant of this Commonwealth for five years at least preceding his election and at the time of his election shall be an inhabitant of the district for which he is chosen. Every representative and senator shall cease to represent his district when he shall cease to be an inhabitant of the Commonwealth. The manner of calling and conducting the elections for representatives and for senators and councillors, and of ascertaining their election, shall be prescribed by law. The amendment vests original jurisdiction in the Supreme Judicial Court, upon petition of any voter of the Commonwealth, filed with the clerk of said court, for judicial relief relative to the establishment of House of Representatives, councillor and senatorial districts.

QUESTION NO. 3

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, **which was approved by the General Court in a joint session of the two branches held June 7, 1972, received 250 votes in the affirmative and 3 in the negative, and in a joint session of the two branches held June 6, 1973, received 253 votes in the affirmative and 0 in the negative?**

YES	
NO	

SUMMARY

The proposed constitutional amendment would repeal section 2 of Article 46 of the Articles of Amendments to the Constitution of the Commonwealth (the "anti-aid amendment", so-called), and replace it with a new section 2, for the purpose of allowing grants in aid to private higher educational institutions or to students, or parents or guardians of students, attending such institutions.

The proposed amendment would delete the first clause of the present section 2, which requires that all moneys raised by taxation in the towns and cities for the support of public schools, and all moneys appropriated by the Commonwealth for the support of common schools shall be applied to or expended in only those schools conducted according to law under the order and superintendence of the authorities of the town or city in which the money is expended. The effect of the deletion of the first clause of section 2 would be to remove the constitutional prohibition against the use of public moneys, which have been raised by taxation or appropriated for support of public schools, for grants in aid to private higher educational institutions or to students, or parents or guardians of students, attending such institutions.

The proposed amendment would also alter the second clause of the present section 2 by removing the prohibition against a grant, appropriation or use of public money or property or loan of public credit by the Commonwealth or any political subdivision for the purpose of founding, maintaining or aiding any school or institution of learning, whether under public control or otherwise, wherein any denominational doctrine is inculcated, or any other school or any college which is not publicly owned and under the exclusive control, order and superintendence of public officers or public agents. In place of the foregoing, the proposed amendment would prohibit the grant, appropriation or use of public money or property or loan of credit by the Commonwealth or any political subdivision for the purpose of founding, maintaining or aiding any primary or secondary school which is not publicly owned and under the exclusive control, order and superintendence of public officers or public agents.

The proposed amendment would also add to the present section 2 a provision that nothing therein shall be construed to prohibit grants in aid to private higher educational institutions or to students, or parents or guardians of students, attending such institutions.

QUESTION NO. 4

LAW PROPOSED BY AN INITIATIVE PETITION

Do you approve of the adoption of an amendment to the constitution summarized below, **which was approved by the General Court in a joint session of the two branches held May 17, 1972, received 131 votes in the affirmative and 121 in the negative, and in a joint session of the two branches held May 8, 1974, received 139 votes in the affirmative and 119 in the negative?**

YES	
NO	

SUMMARY

The proposed constitutional amendment would revise Article 78 of the Articles of Amendment to the Constitution to permit the expenditure of money from the highway fund for mass transportation lines and other mass transportation purposes in such manner as the Legislature may direct. The highway fund includes receipts from fees, duties, excises and license taxes relating to registration, operation or use of motor vehicles and taxes from the sale of motor vehicle fuels. The expenditure of money from such fund is presently restricted to highway and bridge construction, reconstruction, maintenance and repair, enforcement of state traffic laws, and administration of the tax statutes which provide highway fund receipts.

QUESTION NO. 5

LAW PROPOSED BY AN INITIATIVE PETITION

Do you approve of a law summarized below which was disapproved in the House of Representatives by a vote of 73 in the affirmative and 150 in the negative and was disapproved in the Senate by a vote of 16 in the affirmative and 22 in the negative?

YES	
NO	

SUMMARY

Provisions of the act establish an independent Corrupt Practices Commission, with five members to be appointed by the Governor to staggered five year terms. The Commission has subpoena powers and is to investigate, by means of secret hearings, candidates' compliance with all state and federal laws relating to political campaign contributions and expenditures and corrupt practices. If probable cause is shown, the Commission is required to direct the Attorney General to take further action in the proper form and is required to make public a report of such action. In cases involving the campaign practices of the Attorney General himself, a special attorney is to be appointed. If no probable cause is shown, the Commission is to state so publicly.

Further, the proposed act extends the application of the current statute regarding the disclosure of campaign expenditures and contributions, to all candidates for office above the town and city level, with the exception of President and Vice President of the United States. The act requires all such candidates to receive and disburse all amounts greater than \$25 by check, and makes it a crime to knowingly receive cash payment from a candidate or his committee for a service costing more than \$25. The act also requires candidates to designate a single bank as depository of funds and as recordkeeper, with records of receipts and expenditures to be open to public scrutiny.

Provisions of the act extend present campaign spending limits to cover all media expenses and require all media firms (including: television, radio, newspaper, billboard, magazine, advertising, public relations, printing, opinion polling, computer, telephone, telegraph) to report the purchase of media services by candidates. Media expenses of candidates for the offices of district attorney, clerk of court, register of probate and insolvency, register of deeds, county commissioner, county treasurer and sheriff are limited to \$.07 for each resident of the respective electoral district. Other provisions of the act require candidates, upon official announcement or filing of nomination papers, to report all political receipts and expenditures since the date of the last general election for the office sought, and count such expenditures toward spending limits. The act also limits candidates to one political committee.

The act establishes a maximum penalty of one year imprisonment and/or \$10,000 fine for individuals engaged in corrupt practices, and a \$50,000 fine for corporations so involved. In addition, the Attorney General is permitted to bring an action for the removal of a candidate whose election was materially aided by corrupt practices on the part of the candidate or one acting in his behalf, where such removal is otherwise authorized by law.

QUESTION NO. 6

Should the General Court enact legislation during the nineteen hundred and seventy-five session reorganizing state government by creating a Department of Health Systems Regulation which shall have the power to administer the medicaid program, control and set rates for nursing homes, hospitals, and other health providers under medicaid, license and inspect health facilities, and regulate private health insurance policies, medical and hospital service plans?

QUESTION NO. 1**PROPOSED AMENDMENT TO THE CONSTITUTION**

Do you approve of the adoption of an amendment to the Constitution summarized below, which was approved by the General Court in joint sessions of the House of Representatives and Senate on August 15, 1973, by a vote of 261-0, and on May 14, 1975, by a vote of 217-55?

YES	
NO	

SUMMARY

The proposed amendment would provide that equality under the law may not be denied or abridged on the basis of sex, race, color, creed or national origin. This amendment adds one sentence to Article I of Part the First of the Constitution which now contains a general statement of individual rights, including the right to enjoy and defend life and liberty and the right to acquire and protect property.

QUESTION NO. 4

LAW PROPOSED BY AN INITIATIVE PETITION

Do you approve of a law summarized below, which was disapproved by the House of Representatives on May 5, 1975, by a vote of 179-46, and on which no vote was taken by the Senate before May 7, 1975?

YES	
NO	

SUMMARY

SECTION 1 of the act inserts a new chapter 164B into the General Laws and establishes a Massachusetts Power Authority, a body corporate and politic with seven members appointed by the Governor to staggered six year terms. The Authority is to establish and operate a bulk power supply system to supply wholesale electric power to utilities throughout the Commonwealth. The primary purpose of the Authority is to supply the Commonwealth with power with the minimum adverse impact on the environment. The Authority is also authorized to engage in research and development of new sources of power, new siting techniques, and methods of environmental protection.

In carrying out its responsibilities, the Authority is authorized to adopt by-laws; adopt an official seal; maintain offices; sue and be sued; construct or acquire facilities either within or without the Commonwealth; issue revenue bonds and borrow money in anticipation of issuance of revenue bonds; acquire real and personal property; employ professional, managerial and other employees deemed necessary and fix their compensation to be paid solely out of revenues of the Authority; appear before other government agencies; apply for and receive federal or other grants of funds; and enter into contracts and agreements.

The Authority will build and operate all new generating and transmission facilities in the Commonwealth and has the option to purchase existing facilities through negotiation, condemnation, or eminent domain. After an initial two-year period, no other utility may construct a new facility unless the Authority certifies that it lacks the capability to finance the facility and the facility would further the purposes of the act.

The Authority will finance its activities by issuing revenue bonds. The bonds will be exempt from state taxation, but will not be backed by the full faith and credit of the Commonwealth. Power will be sold to other utilities by contract but no special discounts or bonuses to promote the increased use of power may be given. Public hearings are required on all major contracts.

The Authority is required to develop a master, 20-year demand study and siting plan within 18 months of its incorporation, to be updated each succeeding year. Sites will be selected in accordance with the Electric Power Facilities Siting Council Act of 1973. The Governor and the community in which any facility is to be located must affirmatively approve the facility before it can be constructed.

The Authority will be subject to all applicable federal and state environmental standards and must obtain all necessary federal and state permits and complete all necessary environmental impact statements.

The Authority will be exempt from taxation but will make payments in lieu of taxes to cities and towns in an amount equal to the tax which would be paid if the Authority's real and personal property were owned by a private electric utility company.

The Authority is forbidden from engaging in promotional or image advertising. The Authority has the authority to bargain collectively with its employees and is subject to the provisions of Chapter 150 of the General Laws, which governs the conciliation and arbitration of industrial disputes. Employees of the Authority are not subject to the civil service law and rules. Employees of utilities displaced by the activities of the Authority have first preference in employment by the Authority.

SECTION 2 of the act amends section 43 of Chapter 164 of the General Laws to provide that if a city or town votes, in accordance with the provision of Chapter 164, to establish a municipal utility and acquire the facilities of the utility currently serving the community, and the utility refuses to sell its property to the city or town, that the Department of Public Utilities will establish a fair price for the facilities, and the utility will be required to accept the price determined by the department and tender the deed for the facilities to the city or town.

QUESTION 5

(This question appeared as question 5(a) in the Information For Voters booklet.)

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, which was disapproved by the House of Representatives on May 3, 1976, by a vote of 197-35, and on which no vote was taken by the Senate before May 5, 1976?

YES	
NO	

SUMMARY

The proposed legislation would prohibit the possession, ownership, or sale of any weapon from which a shot or bullet can be discharged and which has a barrel length of less than sixteen inches. The prohibition would not apply to military personnel, law enforcement officers, federally licensed handgun manufacturers and wholesalers, common carriers in the ordinary course of transport, or to historical societies and museums. The act would not affect the possession of rifles, shotguns, and certain antiques and replicas. The proposal also does not change the existing statutory penalties for unlawful possession, ownership or sale of handguns, including provision imposing mandatory jail sentences.

The proposal would permit owners of handguns to surrender their weapons to any law enforcement agency in the Commonwealth within six months of the effective date of the act without incurring criminal liability. Those surrendering handguns within that six months will be compensated at a rate to be determined by the Commissioner of Public Safety.

QUESTION NO. 6

LAW PROPOSED BY AN INITIATIVE PETITION

Do you approve of a law summarized below, which was disapproved by the House of Representatives on May 3, 1976, by a vote of 146-85, and on which no vote was taken by the Senate before May 5, 1976?

YES	
NO	

SUMMARY

The proposed act would require every beverage container sold or offered for sale in the Commonwealth to have a refund value of at least five (5) cents, and would prohibit the sale of metal beverage containers with flip-tops. It would apply to containers for beer and other malt beverages and to soft drinks. It would not apply to containers for dairy products or natural fruit juices, nor to containers which are biodegradable.

The act would authorize the Secretary of Environmental Affairs to certify containers as reusable or recyclable. It contains both enforcement and penalty provisions and would take effect on February 1, 1977.

QUESTION NO. 7

LAW PROPOSED BY AN INITIATIVE PETITION

Do you approve of a law summarized below, which was disapproved by the House of Representatives on May 3, 1976, by a vote of 182-49, and on which no vote was taken by the Senate before May 5, 1976?

YES	
NO	

SUMMARY

The proposed act would impose a general requirement that every electric utility company charge a uniform rate per kilowatt hour of electricity. The proposed act would except from this general rule rates charged to other electric utility companies and to residential customers who heat their principle place of residence by electricity. The Act would also permit a different rate to be charged residential customers for the first three hundred (300) kilowatt hours they consume each month, and would authorize "peak load" pricing whereby a higher rate than the uniform rate per kilowatt hour may be charged during the periods of the day or seasons of the year when consumption of electricity is the greatest. The Act would authorize the Department of Public Utilities to issue implementing rules and regulations and provides for enforcement.

QUESTION NO. 8

THIS QUESTION IS NOT BINDING

The following is a non-binding advisory question:
"Shall the General Court enact legislation authorizing the construction of an oil refinery and a deep water port, subject to the approval of those communities directly affected and any reservations that the General Court may prescribe?"

YES	
NO	

SUMMARY

The Legislature has placed this question on the ballot in order to determine whether the people favor or oppose the construction of an oil refinery and deep water port in Massachusetts. The vote on this question is not binding on the Legislature. The question deals with the general advisability of such construction and is not a specific proposal for a facility. If a specific proposal is made, it would be subject to approval by the communities directly affected and subject to any restrictions imposed by the Legislature.

QUESTION NO. 9

THIS QUESTION IS NOT BINDING

The following is a non-binding advisory question:
"Shall retail stores including package liquor stores, so called, be allowed to open for business on Sunday?"

YES	
NO	

SUMMARY

The Legislature has placed this question on the ballot in order to determine whether the people favor or oppose the Sunday opening of certain retail stores, including package liquor stores. As the law now stands, most retail and all package liquor stores must be closed on Sundays. The vote on this question is not binding on the Legislature.

QUESTION 1

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the Constitution summarized below, which was approved by the General Court in joint sessions of the House of Representatives and Senate on May 28, 1975, by a vote of 220-53, and on September 7, 1977, by a vote of 243-20?

YES	<input type="checkbox"/>
NO	<input type="checkbox"/>

SUMMARY

The proposed constitutional amendment would permit the legislature to establish as many as four different classes of real property for tax purposes. Property in any one class would be required to be assessed, rated and taxed proportionately but property in different classes could be assessed, rated and taxed differently. The legislature could grant reasonable exemptions. The constitution presently requires all property (other than wild lands, forest lands, and certain agricultural and horticultural lands) to be assessed and rated equally at full value for tax purposes.

QUESTION 2

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the Constitution summarized below, which was approved by the General Court in joint sessions of the House of Representatives and Senate on May 28, 1975, by a vote of 267-3, and on August 10, 1977, by a vote of 250-1?

YES	
NO	

SUMMARY

The proposed constitutional amendment would allow a governor who had not served in the preceding year as governor to submit a proposed budget to the legislature within eight weeks of the beginning of the legislative session. A governor who had served in the preceding year would still be required to submit a proposed budget within three weeks of the beginning of a legislative session.

QUESTION 3

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the Constitution summarized below, which was approved by the General Court in joint sessions of the House of Representatives and Senate on June 26, 1976, by a vote of 244-6, and on August 10, 1977, by a vote of 253-1?

YES	
NO	

SUMMARY

The proposed constitutional amendment would require the Secretary of the Commonwealth to send information about questions that will appear on the state election ballot to each person eligible to vote in the Commonwealth, or to every residence in the Commonwealth where one or more eligible voters live. Presently, the Constitution requires the Secretary to send this information to each registered voter in the Commonwealth.

QUESTION 4

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the Constitution summarized below, which was approved by the General Court in joint sessions of the House of Representatives and Senate on May 26, 1976, by a vote of 266-0, and on August 10, 1977, by a vote of 258-0?

YES	
NO	

SUMMARY

The proposed constitutional amendment would require that in the taking of the state census, residence be determined in accordance with the standards used by the United States when taking the federal census. Under the federal standards, residence is based upon where a person spends most of his or her time whereas under present state standards residence is based upon legal domicile. The standards would be subject to any exceptions which the legislature might enact.

QUESTION 5

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the Constitution summarized below, which was approved by the General Court in joint sessions of the House of Representatives and Senate on May 26, 1976, by a vote of 260-1, and on August 10, 1977, by a vote of 255-0?

YES	
NO	

SUMMARY

The proposed constitutional amendment would allow a local charter commission 18 months after its election to prepare a charter or charter revision for submission to the voters of a city or town. Presently, the constitution provides that the charter or charter revision be prepared within 10 months of the election of the charter commission.

QUESTION 6

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the Constitution summarized below, which was approved by the General Court in joint sessions of the House of Representatives and Senate on June 11, 1975, by a vote of 175-73, and on September 7, 1977, by a vote of 173-90?

YES	
NO	

SUMMARY

The proposed constitutional amendment would provide that a student could neither be assigned to nor denied admittance to a public school on the basis of race, color, national origin or creed.

Yes	1712

QUESTION 7

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the Constitution summarized below, which was approved by the General Court in joint sessions of the House of Representatives and Senate on August 11, 1976, by a vote of 248-5, and on May 24, 1978, by a vote of 257-0?

YES	
NO	

SUMMARY

The proposed constitutional amendment would give the legislature the power to establish a different method of property taxation for land which is used for recreational purposes and for land preserved in its natural state. It would add these two categories to the existing constitutional provision which allows the legislature to tax wild and forest land differently. The amendment's stated purpose is to develop and conserve natural resources and the environmental benefits of recreational land.

QUESTION 1**PROPOSED AMENDMENT TO THE CONSTITUTION**

Do you approve of the adoption of an amendment to the Constitution summarized below, *which was approved by the General Court in joint sessions of the House of Representatives and the Senate on September 7, 1977, by a vote of 262-1, and on May 28, 1980, by a vote of 192-0?*

YES	
NO	

SUMMARY

The proposed amendment would add a new article to the state Constitution which would prohibit discrimination against handicapped people. It would provide that no otherwise qualified handicapped individual could, on the sole basis of that handicap, be excluded from participation in, denied the benefits of, or subjected to discrimination in any program or activity.

QUESTION 2**LAW PROPOSED BY INITIATIVE PETITION**

Do you approve of a law summarized below, *which was disapproved by the House of Representatives on May 6, 1980, by a vote of 5-146, and on which no vote was taken by the Senate before May 7, 1980?*

YES	
NO	

SUMMARY

The proposed law would limit certain taxes, and change laws relating to school budgets and compulsory binding arbitration. It would impose a limit on state and local taxes on real estate and personal property equal to 2½% of the full and fair cash value of the property being taxed. If a locality currently imposes a tax greater than 2½% of that cash value, the tax would have to be decreased by 15% each year until the 2½% level is reached. If a locality currently imposes a tax of less than 2½%, it would not be allowed to increase the tax rate. In either situation, a city or town could raise its limit by a ⅔ local vote at a general election.

The proposed law would provide that the total taxes on real estate and personal property imposed by the state or by localities could never be increased by more than 2½% of the total taxes imposed for the preceding year, unless two thirds of the voters agreed to the increase at a general election.

It would further provide that no law or regulation which imposes additional costs on a city or town, or a law granting or increasing tax exemptions, would be effective unless the state agrees to assume the added cost. A division of the State Auditor's Department would determine the financial effect of laws and regulations on the various localities.

The proposal would limit the amount of money required to be appropriated for public schools to that amount voted upon by the local appropriating authority. It would also repeal the law which provides for compulsory binding arbitration when labor negotiations concerning police and fire personnel come to an impasse. In addition, the petition would provide that no county, district, or authority could impose any annual increase in costs on a locality of greater than 4% of the total of the year before.

The proposed law would also reduce the maximum excise tax rate on motor vehicles from \$66 per thousand to \$25 per thousand, and it would allow a state income tax deduction equal to one half of the rent paid for the taxpayer's principal place of residence.

QUESTION 3

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below,
which was disapproved by the House of Repre-
sentatives on May 6, 1980, by a vote of 2-147,
and on which no vote was taken by the Senate
before May 7, 1980?

YES	
NO	

SUMMARY

The proposed law would limit local property taxes and state taxes and would provide for increased state aid for local educational purposes.

The act would limit local property taxes in the years 1981 through 1984 to the amount levied in the previous year increased by the percentage increase in personal income of the residents of the Commonwealth during the previous year. The local property tax limit could be exceeded to offset decreases in local aid, to cover shortages for prior years and to pay court judgments. Pension and retirement allowances, payments to other governmental units, principal and interest on any indebtedness, unemployment compensation, amounts required to be raised as a condition of a state or federal grant, and costs for special education programs would be excluded from the property tax limit.

These local limits would be reduced by any excess taxes actually collected over the tax limit for the preceding year. The limit would not apply to any municipality having a general tax rate of less than \$35 per thousand of equalized valuation. The tax limit could be exceeded by a two-thirds vote of the local appropriating body.

The cost of regional and independent vocational schools would be subject to the same limitations.

The proposed law would also limit state taxes imposed in the years 1981 through 1984 to an amount no greater than that imposed the previous year, increased by the percentage increase in the personal income of Massachusetts residents in the previous year. This state tax limit could be exceeded only to increase local aid or to assume other costs approved by a two-thirds vote of the state legislature. The amounts necessary to pay principal and interest on state indebtedness, pensions, retirement allowances, unemployment compensation, and court judgments, and money required to be raised as a condition of a federal grant would not be subject to the state tax limit. The total amount of local aid for any year which would be subject to legislative appropriation could not be less than the total amount of aid for the preceding year increased by half the increase in collected state taxes during that preceding year. The state tax limit would be reduced by any excess taxes actually collected over the tax limit for the preceding year.

The proposed law also would require, subject to legislative appropriation, a gradual increase in the percentage of local educational costs paid by the Commonwealth to a level of 50% in 1984. The proposal would also require, again subject to legislative appropriation, that school aid paid by the Commonwealth in any year between 1981 through 1984 must be at least 15% greater than that provided in 1980.

QUESTION 4

REFERENDUM ON AN EXISTING LAW

Do you approve of a law summarized below, which was approved by the House of Representatives on November 1, 1979, by a vote of 83-62, and which was approved by the Senate on November 1, 1979?

YES	
NO	

SUMMARY

The law provides for increases in the salaries of members of the legislature and the constitutional officers of the Commonwealth.

The law increases salaries of members of the legislature by an annual amount varying from \$1,853 to \$17,923. The size of the raise conferred on a particular individual depends upon his position within the legislature. The law has the effect of setting the base salary for a legislator at \$20,335, but under the law legislative salaries range as high as the approximately \$55,920 paid to the President of the Senate and the Speaker of the House of Representatives.

The salaries of the constitutional officers are increased either by \$20,000, in the case of the Governor, or \$10,000 in all other cases. The law raises the annual salary of the Governor to \$60,000, that of the Attorney General to \$47,500, and the salaries of the Lieutenant Governor, Secretary of the Commonwealth, Treasurer and Receiver General, and the Auditor to \$40,000.

The law also amends the statutes pertaining to the organization of the offices of the Secretaries of Administration and Finance and of Human Services and to the compensation of senior officials within those offices. It gives the Secretaries of Administration and Finance and of Human Services greater flexibility in establishing positions and setting salaries for those under their supervision.

QUESTION 5

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the Constitution summarized below, which was approved by the General Court in joint sessions of the House of Representatives and the Senate on November 30, 1977, by a vote of 257-8, and on September 18, 1980, by a vote of 179-6?

YES	
NO	

SUMMARY

The proposed amendment would limit the power of the legislature to impose certain costs on cities and towns. It would provide that any law which imposes additional costs upon two or more cities or towns by regulating the compensation, hours, status, conditions, or benefits of municipal employment would not be effective within a municipality until it accepts the law by vote or appropriation of money. Local acceptance would not be required if the legislature either passed the law by a two-thirds vote, or provided, during the same session in which the law was enacted, that the additional costs would be assumed by the Commonwealth.

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the Constitution summarized below, *which was approved by the General Court in joint sessions of the House of Representatives and the Senate on September 7, 1977, by a vote of 264-0, and on September 19, 1980, by a vote of 162-0?*

YES	
NO	

SUMMARY

The proposed amendment would change the procedure by which the Legislature declares a measure to be an emergency law, making it effective when it is signed by the Governor. The amendment would allow the Legislature to make such a declaration by a voice vote, rather than by a recorded vote, as now required. The amendment would maintain the existing option allowing for a formal roll call vote.

QUESTION 1

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in joint sessions of the House of Representatives and the Senate on July 2, 1980 by a vote of 171-4, and on June 21, 1982 by a vote of 144-44?

YES

NO

SUMMARY

The proposed constitutional amendment would remove the present constitutional prohibition against the use of public funds to aid or maintain private primary or secondary schools.

It would permit the Commonwealth, cities and towns to make public funds available to pupils attending private primary and secondary schools in the form of either aid, materials or services subject, however, to three specific limitations. First, the private school could not be one that discriminates on the basis of race or color in its admission requirements. Second, the grant of aid must be consistent with the First Amendment to the United States Constitution which guarantees the free exercise of religion and prohibits the establishment of religion. Third, individual pupils would have to request the aid, materials or services. In addition to these three specific limitations, the amendment would authorize the legislature to enact other laws imposing conditions or restrictions on the grant of public aid, materials or services.

The proposal would also change the state constitution to allow public money to be spent to aid infirmaries, hospitals, charitable or religious undertakings if they are either publicly owned or under the control of public officials. The state constitution now prohibits such spending unless these institutions are both publicly owned and under the control of public officials.

QUESTION 2

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in joint sessions of the House of Representatives and the Senate on September 19, 1980 by a vote of 123-63, and on June 21, 1982 by a vote of 125-62?

YES

NO

SUMMARY

The proposed constitutional amendment would allow the legislature to enact laws authorizing the state courts to impose the death penalty on the conviction of crimes to be specified by law. The proposed amendment would provide that no provision of the state constitution may in the future be construed as prohibiting the imposition of the punishment of death.

QUESTION 3

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the House of Representatives or the Senate before July 7, 1982?

YES

NO

SUMMARY

The proposed law would require that before the construction or operation of any new nuclear power plant or low-level radioactive waste storage or disposal facility in the Commonwealth, the legislature must make certain findings and a majority of voters must approve the new facility at a statewide election.

Before the question of building a new nuclear power plant could be submitted to the voters, the legislature would have to find that (1) the proposed facility is the best means for meeting energy needs based on certain economic, safety, environmental and social considerations; (2) a federally-licensed facility exists for the disposal of the high-level radioactive waste that would be generated; (3) an approved emergency preparedness plan has been developed; (4) radioactive pollution standards have been promulgated; and (5) a demonstrated, federally-approved technology exists for decommissioning the proposed power plant.

Before the question of building and operating a low-level radioactive waste storage or disposal facility or of entering into an agreement with another state to build and operate such a facility in Massachusetts could be submitted to the voters, the legislature would have to find that the technology and site designated for the proposed facility are the best available based on certain economic, safety, environmental and social considerations. The legislature would also have to find that the obligations imposed on Massachusetts by any interstate agreement were no greater than those imposed on any other state.

The proposal would not apply to a facility which had obtained all necessary government approvals before August 5, 1981, nor to any facility for disposal or storage of radioactive wastes from medical or bio-research applications in Massachusetts.

QUESTION 4

REFERENDUM ON AN EXISTING LAW

Do you approve of a law summarized below, which was approved by the House of Representatives on November 10, 1981 by a vote of 108-49, and by the Senate on November 16, 1981 by a vote of 29-10?

YES	
NO	

SUMMARY

The law requires that a refundable deposit be paid for certain beverage containers sold in Massachusetts.

Beverage containers of less than 32 ounces must have a refund value of at least five cents and larger containers a refund value of at least ten cents. This requirement applies to non-biodegradable containers of carbonated soft drinks, mineral water, beer and other malt beverages, but not to containers of other alcoholic beverages, dairy products, natural fruit juices or wine. All beverage containers subject to deposit must clearly indicate the refund value on the container.

The deposit is paid by the consumer upon purchase and must be refunded when the consumer returns the empty container to a proper dealer or redemption center, so long as the container does not contain any material different from its normal contents. Dealers and distributors are also subject to the same deposit and refund on the beverage containers they handle, and are also entitled to a handling fee of at least one-cent per container.

No containers can be sold in the state if they are joined together by plastic rings or any other device that cannot be broken down by light or bacteria.

The law provides a bottler a reduction in corporate excise tax of one-tenth of one cent for each reusable beverage container which the bottler sells in the first three months of 1983. The law provides for additional unemployment benefits and, if the Legislature appropriates the funds, a job retraining program for employees of bottlers, canners, or manufacturers of beverage containers who lose their jobs as a result of this law.

The law takes effect on January 17, 1983.

QUESTION

"Shall the Town pay one-half the premium costs payable by a retired employee for group life insurance and for group general or blanket hospital, surgical, medical, dental and other health insurance?"

Chapter 32B Section 9A

SUMMARY: Upon retirement, the Town of Southborough ceases to pay a share of the retired employees health and life insurance costs. If this section of Massachusetts General Laws is voted in the affirmative by a majority of the voters, the Town will pay fifty per cent (50%) of the costs of life and other health insurance costs. The cost of accepting this statute is equal to .09 cents on the Fiscal 1985 tax rate.

QUESTION 1

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the Constitution summarized below, which was approved by the General Court in joint sessions of the House of Representatives and the Senate on June 27, 1984 by a vote of 120-67, and on April 30, 1986 by a vote of 123-69?

YES	
NO	

SUMMARY

The proposed constitutional amendment would allow the legislature to prohibit or regulate abortions to the extent permitted by the United States Constitution. It would also provide that the state constitution does not require public or private funding of abortions, or the provision of services or facilities for performing abortions, beyond what is required by the United States Constitution. The provisions of this amendment would not apply to abortions required to prevent the death of the mother.

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the Constitution summarized below, *which was approved by the General Court in joint sessions of the House of Representatives and the Senate on December 12, 1984 by a vote of 108-79, and on April 16, 1986 by a vote of 107-87?*

YES	
NO	

SUMMARY

The proposed constitutional amendment would allow the expenditure of public funds for private schools and private school students.

It would remove primary and secondary schools from the list of non-public institutions barred from receiving public aid and would allow public money, property, or loans of credit to be used for founding, maintaining, or aiding those schools. The proposed amendment would also allow public financial aid, materials, or services to be provided to a non-public school student requesting such aid, but only if that school does not discriminate in its entrance requirements on the basis of race, color, national origin, religious belief, sex, or physical handicap. The state legislature would have the power to impose limits on aid, materials, or services provided to students.

QUESTION 3
LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, *which was disapproved by the House of Representatives on May 6, 1986, by a vote of 49 - 93, and on which no vote was taken by the Senate before May 7, 1986?*

YES	
NO	

SUMMARY

The proposed law would reduce and then repeal the 7½% surtax on Massachusetts state income taxes and would limit state tax revenue growth to the level of growth in total wages and salaries of the citizens of the state.

It would set the rate of the surtax on Massachusetts state income taxes at 3¾% for tax years beginning during 1986, and it would repeal the surtax for tax years beginning on or after January 1, 1987.

The allowable state tax revenues for any fiscal year are limited to the allowable state tax revenues for the prior fiscal year as increased by the average rate of growth of Massachusetts wages and salaries for the three immediately preceding calendar years. For purposes of calculating the proposed limit for fiscal year 1987, allowable state tax revenues for fiscal 1986 are the net tax revenues for that fiscal year, but excluding revenues derived from the surtax on state personal income tax. Further, if in any fiscal year the calculation of the limit results in allowable state tax revenues less than the amount of allowable state tax revenues for the prior year, then allowable state tax revenues for that fiscal year shall be equal to the allowable state tax revenues for the prior year. The revenues limited by this law would not include non-tax revenues such as federal reimbursements, tuitions, fees and earnings on investments.

The amount of allowable state tax revenues for any fiscal year would have to be reduced if a new state law were enacted allowing local governments to impose new or increased taxes or excises. The reduction would be equal to the amount of revenue derived from the new tax or increase. The reduction in state tax revenues would first take effect in the fiscal year following the enactment of the new law authorizing new local taxes or increases.

If state tax revenues exceed the limit imposed by the proposed law, as determined by the State Auditor, a tax credit would have to be granted equal to the total amount of excess tax revenue. The credit would be applied to the then current personal income tax liability of all taxpayers in proportion to their personal income tax liability in the preceding year.

The provisions of this Act could be enforced in court by a group of taxpayers.

QUESTION 4**LAW PROPOSED BY INITIATIVE PETITION**

Do you approve of a law summarized below, which was approved by the House of Representatives on May 5, 1986, by a vote of 145 - 0, and on which no vote was taken by the Senate before May 7, 1986?

YES	
NO	

SUMMARY

The proposed law would require the state Department of Environmental Quality Engineering (DEQE) to search for sites in the Commonwealth where oil or hazardous materials have been disposed of and to take all steps necessary to clean up those sites within specified time limits. Provisions are made for informing the public about sites in their communities.

Beginning on January 15, 1987, DEQE would be required to publish lists every three months of all sites where it has confirmed that uncontrolled oil or hazardous materials have been disposed of and locations to be investigated as possible disposal sites. The lists would describe what actions have been taken at each site or location. DEQE would be required to list, to the extent that it has identified, at least 400 possible disposal sites by January 15, 1987, 600 additional locations by January 15, 1988, and 1,000 additional locations in each subsequent year.

Within one year after a location is listed as a possible disposal site DEQE would be required to determine if further investigation is warranted. If so, within two years after the listing, DEQE must confirm whether the location is a disposal site, and whether it poses an imminent or substantial hazard to health, safety, public welfare or the environment.

For sites found to pose a substantial hazard, DEQE would be required, within the next two years, to ensure that those hazards are eliminated and to develop a plan to eliminate permanently future risks from those sites. Imminent hazards would have to be eliminated immediately. For sites found not to pose any substantial hazards DEQE must, within seven years after the listing, ensure that the full extent of contamination is evaluated and that a plan to eliminate permanently future risks is developed.

The proposed law would require DEQE to provide public notice and encourage public participation. Within 30 days after completing a site investigation, DEQE would have to inform the public through local newspapers of the results of that investigation and of the rights of local citizens under the state law. If ten citizens of a town potentially affected by a site submit a request, DEQE would be required to develop a plan for involving the public in its clean-up decisions and present that plan at a public meeting. The chief municipal officer of a city or town in which a disposal site is located could appoint individual(s) to inspect the site on behalf of the community.

Massachusetts residents could bring lawsuits to enforce the provisions of the proposed law or to lessen a hazard related to oil or hazardous materials. If such a lawsuit is brought, a court could award costs, including reasonable fees for attorneys and expert witnesses.

QUESTION 5
REFERENDUM ON AN EXISTING LAW

Do you approve of a law summarized below, *which was approved by the House of Representatives on October 17, 1985, by a vote of 77 - 62, and which was approved by the Senate on October 17, 1985?*

YES	
NO	

SUMMARY

The law requires all drivers and passengers to wear properly adjusted and fastened safety belts while traveling in motor vehicles on public ways. It does not apply to: children under five years old who are required by another law to wear safety belts or be restrained in safety car seats; passengers in vehicles where all safety belts are being used by others; passengers in buses; persons riding in vehicles built before July 1, 1966, or in which safety belts were not installed as original equipment; or persons who are certified by a physician to be physically unable to use safety belts. The law also does not apply to police officers, rural mail carriers, or drivers or passengers of other vehicles that stop frequently and travel at speeds not exceeding 15 miles per hour between stops.

Drivers or passengers sixteen years or older who do not wear safety belts are subject to a \$15.00 fine. The driver of a vehicle is also subject to a \$15.00 fine for each passenger under sixteen who does not wear a safety belt. This law, however, can be enforced only if the driver is stopped for a violation of another motor vehicle law. Safety belt violations will not result in surcharges on motor vehicle insurance premiums. The law also requires that when the Commissioner of Insurance sets motor vehicle insurance rates, the rates must reflect any savings attributable to increased use of safety belts.

The law also requires that all motor vehicles manufactured after September 1, 1989, that are sold or registered in Massachusetts be equipped with crash protection devices, as specified by federal regulations. Any manufacturer who sells or delivers motor vehicles that are not equipped with such safety devices will be subject to a fine of not more than \$100 for each sale or delivery. This law is not intended to eliminate the federal requirements for passive crash protection devices in motor vehicles.

The law also provides that a non-binding question, unlike this binding referendum, shall be placed on the 1986 general election ballot asking whether the voters approve of the law.

QUESTION 6
LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, *which was disapproved by the House of Representatives on May 6, 1986, by a vote of 56 - 93, and on which no vote was taken by the Senate before May 7, 1986?*

YES	
NO	

SUMMARY

The proposed law would provide a system of voter registration by mail applicable to all qualified voters and would eliminate statutory provisions permitting certain persons to vote only for presidential electors.

Under this proposed law, the State Secretary would be required to prepare blank forms for affidavits of registration. The Secretary and local boards of registrars would be required to make such forms available to any person eligible to vote in whatever quantity the person requests and to transmit such forms, upon written request, to any person claiming to be qualified to vote. Registrars would also be required to make these forms available at all post offices and at other places within their municipalities. The Secretary would be required to establish a reasonable fee for providing more than 50 forms and to prepare instructions to accompany the forms.

A person seeking to register to vote would be required to complete the affidavit of registration and sign it under oath in the presence of a witness who is at least eighteen years old. The witness would be required to certify that the affidavit was signed in his presence and to date the affidavit.

QUESTION 6 (continued)

A completed affidavit of registration could be either delivered or mailed to the appropriate registrar's office. If, from the facts set forth in the affidavit, it appears that the person is qualified to vote, the registrars would be required to add the person's name to the list of registered voters and to so notify the person by first-class, non-forwardable mail, unless the person's name already appears on the local list of residents at the same address. The cost of mailing such notices would be assumed by the Commonwealth, subject to appropriation. If in any year the General Court fails to appropriate funds for that purpose, such notices would not have to be sent. If such a notice is returned undelivered, the city or town clerk would be required to instruct election officials to challenge the person's right to vote at the next election in which he attempts to vote.

The proposed law would also impose criminal penalties of imprisonment for up to two years or a fine up to \$2,000 for knowingly or willfully making a false affidavit, taking a false oath, or signing a false certificate relative to the qualifications or registration of any person to vote.

OVERRIDE QUESTION

Shall the Town of Southborough be allowed to assess an additional \$223,400.00 in real estate and personal property taxes for the purpose of:

\$26,000 Police Cruisers (Art. 16)
 50,000 Backhoe (Highway Dept., Art. 21)
 17,000 Pickup Truck (Highway Dept., Art. 22)
 10,000 Roof, Southville Fire Station (Art. 29)
 71,900 Repairs to Schools (Art. 28)
 15,000 Roof, Town House (Art. 20)
 33,500 Computer hardware and software (Art. 17)

for the fiscal year beginning July first, nineteen hundred and eighty-eight?

YES ☐ NO ☐

SUMMARY:

A Yes vote will increase the tax rate by \$.50 for Fiscal Year 1989 only.

A Yes vote exempts a total of \$223,400.00 from the tax cap and does not allow the Town to increase its levy limit by that amount for FY 1990. The items listed have been voted and approved by the Annual Town Meeting of 1988 as per the recommendation of the Capital Budget Planning Committee, the Advisory Committee, and the Board of Selectmen.

QUESTION 1

REFERENDUM PETITION ON AN EXISTING LAW

Do you approve of a law summarized below, which was approved by the House of Representatives on May 20, 1987, by a vote of 93 - 58, and approved by the Senate on May 20, 1987, by a vote of 31 - 8?

YES	
NO	

SUMMARY

The law provides a salary increase, effective January 7, 1987, for the members of the legislature and certain constitutional officers of the Commonwealth.

Beginning at a base salary of \$30,000, each member of the legislature will receive a salary increase under the law equal to the compounded percentage increase in the salaries of full time state employees who are subject to collective bargaining agreements between the Commonwealth and the ALLIANCE, AFSCME - SEIU, AFL - CIO in effect between January 5, 1983 and January 7, 1987. Thereafter the salaries of each member of the legislature will be increased by the same percentages as the salaries of full time state employees subject to the collective bargaining agreements.

The law further provides that members of the legislature holding leadership positions and committee chairmanships will receive an annual sum in addition to their salary. This additional amount will vary from \$7,500 to \$35,000 depending upon the particular position the member holds.

The law also increases the salaries of certain constitutional officers. Under the law the salary of the governor is set at \$85,000; the salaries of the lieutenant governor, state secretary, state treasurer and the state auditor are set at \$70,000; and the salary of the attorney general is set at \$75,000.

Any individual may waive his or her salary increase under this law. Any amount so waived shall not be deemed regular compensation for the purposes of computing any such person's benefits and shall be exempt from state taxation.

QUESTION 2
LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, which was disapproved by the House of Representatives on May 3, 1988, by a vote of 24-123, and on which no vote was taken by the Senate before May 4, 1988?

YES	
NO	

SUMMARY

The proposed law would repeal state law requiring that the wages, including payments to health and welfare plans, paid to persons employed in the construction of public works be no less than the wages paid locally under existing collective bargaining agreements and understandings, or by the municipality, for the same kind of work. Under the proposed law, the Commissioner of Labor and Industries would no longer set wage rates for such work or classify jobs.

The proposed law would also remove the Commissioner of Labor and Industries' authority to set the wage rates of employees of contractors who move office furniture and fixtures for the state or a county, city, town or district, and remove the Commissioner's authority to set the wage rates of operators of vehicles and other equipment engaged in public works.

The proposed law would not change the way wages are set for laborers employed by the state Department of Public Works and the Metropolitan District Commission.

QUESTION 3
LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, which was disapproved by the House of Representatives on May 2, 1988, by a vote of 2 - 150, and disapproved by the Senate on May 3, 1988, by a vote of 0 - 34?

YES	
NO	

SUMMARY

The proposed law would require the Commissioner of the Department of Food and Agriculture to issue regulations to ensure that farm animals are maintained in good health and that cruel or inhumane practices are not used in the raising, handling or transportation of farm animals.

The Commissioner would issue regulations, effective within four years after passage of the proposed law, about the surgical procedures used on farm animals, the transportation and slaughter of farm animals, and the diet and housing of those animals. The Director of the Division of Animal Health could issue exemption permits for a period of time up to one year and one half to any farmer.

Under the proposed measure, an unpaid Scientific Advisory Board on Farm Animal Welfare comprised of veterinarians and animal scientists would also be established within the Department of Food and Agriculture. The Board would examine animal agricultural practices, issue for publication certain reports on farm practices, and make non-binding recommendations to the Commissioner about specific regulations. If appropriated by the legislature, the Board may allocate an annual sum of not more than ten cents per Massachusetts citizen to assist farmers in adopting methods which are consistent with the purposes of this law.

The Director of the Division of Animal Health would be responsible for enforcing regulations issued as a result of this proposed law. Persons who violate the new law would be punished by a fine of up to \$1,000.

QUESTION 4

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, upon which no vote was taken by the House of Representatives or the Senate before May 4, 1988?

YES	
NO	

SUMMARY

The proposed law would provide that, after July 4, 1989, there shall be no further generation of electric power by commercial nuclear power plants in the Commonwealth by means which result in the production of nuclear waste.

QUESTION 5

Shall an act passed by the General Court in the year nineteen hundred and eighty-eight entitled 'An Act providing for the establishment of a charter for Worcester county', be accepted?

YES	
NO	

SUMMARY

Acceptance of this Home Rule plan by a majority of the voters of Worcester County will create a new form of county government under which Worcester County will be governed by an elected seven member County Council and an appointed County Manager.

The members of the County Council will be elected for four year terms by and from the voters of seven districts to be established so as to consist of as nearly an equal number of people per district as possible. The legislative powers of the County as exercised by resolution or ordinance will be vested in the Council. The Council shall elect from its own number a chairperson and vice-chairperson. Approval authority over the annual operating and capital outlay budgets for the County is vested in the County Council.

The County Council shall appoint a County Manager for an indefinite term by majority vote. He may be removed by a majority vote of the Council subject to due notice and opportunity for hearing. The manager will serve as chief executive officer of the County at a salary fixed by the Council. His duties and responsibilities will include the preparation of annual operating and capital outlay budgets for submission to the County Advisory Board and County Council, supervision of the care and custody of all County property, institutions and agencies, negotiation of contracts and supervision of all County administrative departments.

The County shall have authority by agreement upon the request of any unit or units of local government to provide any service, activity or undertaking which such governmental unit is authorized to perform for itself.

The County Treasurer, Sheriff and Registers of Deeds will remain elective positions, retaining general charge and superintendence over their respective departments. Citizen initiative, referendum and recall procedures shall be available to voters of the County.

QUESTION NO. 5

“Shall an act be presented to the general court in the year nineteen hundred and eighty-nine, to be enacted entitled ‘An Act establishing a department of public services in the town of Southborough’”?

YES ☐ NO ☐

SUMMARY

This question asks voters if they are in favor of asking the legislature to approve an act that would allow Southborough to establish a Department of Public Services that would combine the existing Highway, Cemetery, and Water Departments and the Tree Warden.

A Director of Public Services appointed by the Board of Selectmen for a three year term would be responsible for the operation and administration of the department.

The new department would include four divisions: (1) highway, (2) water, (3) tree, and (4) cemetery, parks and grounds, each headed by a supervisor with appropriate staff determined by the Public Services Director.

A new five-member Public Services Planning Board would be appointed by the Moderator for three year terms to advise the Selectmen in planning, managing, and financing the town's infrastructure.

The currently-elected and autonomous Water Commissioners, Cemetery Commissioners, and Tree Warden posts would be eliminated.

The change, if approved by the majority of voters and the legislature, would be effective on July 1, 1990.

This Question has been submitted by the Board of Selectmen.

QUESTION 1

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, *which was approved by the General Court in joint sessions of the House of Representatives and the Senate on December 17, 1987 by a vote of 180 to 6, and on June 11, 1990 by a vote of 186 to 6?*

YES	
NO	

SUMMARY

The proposed constitutional amendment would repeal the constitutional provision that a state census be taken and used as the basis for determining state representative, senatorial and councillor districts. The proposed constitutional amendment would provide that the federal census shall be the basis for determining such districts.

QUESTION 2

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or House of Representatives before May 2, 1990?

YES	
NO	

SUMMARY

The proposed law would place restrictions on the State's use of consultants. It would place various limits on the amount of profit, overhead charges and expenses that the State could pay consultants. It would limit the duration of consultant contracts to two years and any extension to one year, and it would limit the degree to which such contracts could be changed to require payments in excess of the original contract. The proposed law would limit to \$100,000 the amount the State could pay on a consultant contract with an individual and would require all other consultant contracts in excess of \$25,000 to be sought through competitive bidding. It would prohibit consultants from supervising State employees, and it would limit the use of consultants as substitutes for State employee positions.

In addition, the proposed law would place limits on the total amount of money State agencies, departments and Authorities could spend on consultants each year. Subsidiary provisions would also establish a method for these entities to gradually come into compliance with the new spending limits and would give authority to the State Secretary of Administration and Finance, on request, to permit some spending in excess of the new limits. The proposed law would also require State agencies, departments and Authorities as well as the Secretary of Administration and Finance to submit yearly reports concerning the State's consultant contracts to certain legislative committees and to the Inspector General.

Finally, the proposed law provides that any of its provisions, if found by a court to be unconstitutional or otherwise unlawful, would be severed from the law and the remaining provisions would continue in effect.

QUESTION 3

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 2, 1990?

YES	
NO	

SUMMARY

This proposed law would change the state income tax rate, affect language contained in certain tax provisions, and regulate the setting of fees by state agencies and authorities.

The proposed law would set the state income tax rate on Part B taxable income (in general, earned income) at 4.25% for 1991 and 4.625% for 1992, except for income from unemployment compensation, alimony, Massachusetts bank interest, rental income, pension and annuity income, and IRA/Keogh deductions, which would be taxed at 5%.

The proposed law also provides that the fee imposed by any state agency or authority shall be no more than the fee that was in effect on or before June 30, 1988. The state Secretary of Administration would determine the amount to be charged for any service, registration, regulation, license, fee, permit or other public function, except for the rates of tuition or fees at state colleges and universities or any fees or charges relative to the administration and operation of the state courts. Any increase or decrease in a fee, or the establishment of any new fee, would require the approval of the Legislature. Any increase in a fee would not apply to persons 65 years of age or older. No state agency or authority could collect any fee which exceeds the administrative costs directly incurred by the state agency or authority to produce and process the application for any license or permit. The Secretary of Administration must report information concerning fees to the Legislature on an annual basis.

The proposed law provides that for tax periods commencing on or after January 1, 1991, language in certain provisions of the Massachusetts general laws relating to taxes shall be the same as it was on August 2, 1989, or the effective date of the proposed law, whichever language yields less tax revenue. The tax provisions affected include sections relating to the surtax on business income, corporate excise taxes, S corporation taxes, taxes on security corporations, taxes on Part A income (in general, unearned income), bank taxes, excise taxes on alcoholic beverages and cigarettes, excise taxes on deeds, estate taxes, payments to the Commonwealth relating to horse and dog racing, payments to the Commonwealth relating to boxing and sparring matches, taxes on utility companies, gasoline taxes, taxes on insurance companies, excise taxes on motor vehicles, taxes on urban redevelopment corporations, sales tax, use tax, room occupancy excise tax, property taxes, and taxes on proceeds from raffles and bazaars.

The proposed law also contains a provision that if any sections of the law are held to be invalid, all other sections of the law are to remain in effect.

QUESTION 4

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or House of Representatives before May 2, 1990?

YES	
NO	

SUMMARY

This proposed law would change the state election laws governing the establishment of political parties and the nomination of candidates.

The proposed law would allow voters to register under a political designation other than "Independent" and in addition to the two political parties previously recognized by law (Republican or Democrat), if at least fifty voters request to be permitted to do so. It would allow any group to qualify as a political party under Massachusetts law if at least one percent of the total number of registered voters register to vote using that group's political designation, or if at least three percent of the votes cast at the preceding election for any statewide office were cast for a candidate running under that group's political designation.

The proposed law would set the minimum number of signatures needed on independent or minor party nomination papers for state office at one-half of one percent (1/2%) of the entire vote cast in the previous state election for governor (as compared to 2% as of 1989), and would also establish this number of signatures as the upper limit needed for major party candidates. The proposed law would also permit voters to sign the nomination papers of any number of candidates for the same office, would require that all blank forms to be used for nomination papers and initiative and referendum petitions be no more than 8 1/2" by 14" in size, and would allow signatures to be collected on exact copies of those forms.

QUESTION 5

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 2, 1990?

YES	
NO	

SUMMARY

This proposed law would regulate the distribution to cities and towns of the Local Aid Fund, which consists of at least 40% of the revenue generated by the state income, sales, and corporate taxes, as well as the balance of the State Lottery Fund.

Subject to appropriation by the legislature, the State Treasurer would distribute the Local Aid Fund to cities and towns on a quarterly basis, and each city or town would receive at least the same amount of local aid it received in the previous fiscal year unless the total Local Aid Fund decreases.

In fiscal year 1992, if there has been any increase over the fiscal year 1989 fund, half of the increase would be distributed in accordance with the distribution formula used for fiscal year 1989, and half would be distributed to each city and town in proportion to its population.

In each year after 1992, if the fund increases, the excess would be distributed through a formula devised by the state Secretary of Administration and Finance, with the advice and consent of the Local Government Advisory Committee. If the fund decreases after 1992, each town or city will have the amount it receives decreased by the same percentage.

This proposed law also requires that the Treasurer publish an annual report about the Local Aid Fund, that the state Auditor publish an annual audit of the Account, and that the Secretary of Administration and Finance issue to each city and town an estimate of funds it will receive from the Local Aid Fund.

Each city or town would be allowed to bring a lawsuit to force distribution of the account, and would be entitled to a late payment fee if distribution is not timely.

Question No. 6

“Shall an act be presented to the General Court in the year nineteen hundred and ninety-one, to be enacted entitled ‘An Act establishing a Department of Public Works in the Town of Southborough’ ”

Summary

This question asks voters if they are in favor of asking the legislature to approve an act that would allow Southborough to establish a Department of Public Works that would combine the existing Highway, Water, and Cemetery Departments and the Tree Warden.

A Superintendant of Public Works appointed by the Board of Selectpersons for a three year term would be responsible for the operation and administration of the department.

The new department would include the existing Highway, Cemetery, and Water Departments and Tree Warden function. However, as appropriate, other departments and/or functions may also be placed under the direction of the Superintendent of Public Works.

The new department will develop an organizational structure which will minimize supervisory and administrative personnel and maximize utilization of operational and direct labor personnel determined by the Superintendent of Public Works.

The current elected and autonomous Water Commissioners, Cemetery Commissioners and the Tree Warden posts would be eliminated.

A new five-member Public Works Planning Board would be appointed by the Moderator and Planning Board (three by the Moderator and two by the Planning Board) for three year terms to advise the Selectpersons in planning, managing and financing the town’s infrastructure.

The change, if approved by the majority of voters and the state legislature, would become effective immediately following approval by the state legislature or 30 days from notification, whichever is later.

This question is submitted by the Town Government Study Committee.

QUESTION NO. 7

"Shall an act be presented to the General Court in the year nineteen hundred and ninety-one, to be enacted entitled 'An Act raising the number of elected Selectpersons from three (3) to five (5) in the town of Southborough.'"

SUMMARY

This question asks voters if they are in favor of asking the legislature to approve an act that would increase the number of elected Selectpersons to five (5) from three (3).

Of the two (2) newly established Selectpersons, one would initially be elected to serve a full three (3) year term and the other would be elected to serve a two (2) year term.

Currently elected Selectpersons will serve out his/her existing terms and may seek re-election as an incumbent or seek election to one of the newly established Selectperson positions.

The change, if approved by the majority of voters and legislature, would be effective the next scheduled May town election, following approvals.

QUESTION 1

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, *on which no vote was taken by the Senate or the House of Representatives before May 6, 1992?*

YES	
NO	

SUMMARY

This proposed law would establish a Health Protection Fund to pay for health programs relating to tobacco use, including distribution of information about tobacco use, to be financed by a new excise tax on cigarettes and smokeless tobacco. The Health Protection Fund would be used, subject to appropriation by the state Legislature, to supplement existing funding for the following purposes: school health education programs including information about the hazards of tobacco use; smoking prevention and smoking cessation programs in the workplace and community; tobacco-related public service advertising; drug education programs; support of prenatal and maternal care at community health centers which provide programs on smoking cessation and information on the harmful effects of smoking; and monitoring by the state Department of Public Health of illness and death associated with tobacco.

The proposed law would establish a new excise tax of one and one-quarter cents per cigarette (twenty-five cents per pack of 20) and twenty-five percent of the wholesale price of smokeless tobacco. This excise would be in addition to the excise already imposed on cigarettes and smokeless tobacco. The new excise would be collected by the state Department of Revenue under the same procedures that apply to the existing tobacco excise.

The proposed law would direct the State Comptroller to report annually on the revenues and expenditures of the Health Protection Fund. The proposed law states that if any of its provisions were found invalid, the other provisions would remain in effect. The proposed law would go into effect on January 1, 1993.

QUESTION 2

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, *on which no vote was taken by the Senate or the House of Representatives before May 6, 1992?*

YES	
NO	

SUMMARY

This proposed law would require certain banks, insurance companies and publicly-traded corporations to file annual reports with the Massachusetts Secretary of State listing information from their state tax returns, including profit, income, corporate income tax due, deductions, exemptions and credits. These reports would be made public. This provision would apply only to those banks, insurance companies and publicly-traded corporations required by federal and other Massachusetts laws to disclose information concerning their federal tax payments.

The proposed law would also require the annual release by state officials of a detailed analysis of certain tax expenditures enacted or changed after January 1, 1988. State law defines a tax expenditure as an exemption, exclusion, deduction, or credit that results in less corporate, sales, or income tax revenue for the state. This analysis would be required only for tax expenditures with an annual revenue impact of \$1,000,000 or more. The analysis would include information on the actual revenue loss, as well as the number and proportion of taxpayers or taxpaying entities benefiting from the tax expenditure, according to income, profit, receipts or sales.

QUESTION 3

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 6, 1992?

YES	
NO	

SUMMARY

This proposed law would require all packaging used in Massachusetts on or after July 1, 1996 to be reduced in size, reusable, or made of materials that have been or could be recycled. The proposed law would provide for exemptions for health, safety, and other reasons and would establish penalties for violations.

Packaging would have to be either reduced in size by at least 25% every five years; or designed to be reusable at least five times, with at least 50% of such packaging actually being reused; or recycled at a 50% rate; or composed of 25% or more of recycled materials (increasing to 35% on July 1, 1999 and 50% on July 1, 2002); or composed of materials being recycled at an annual rate of 25% (increasing to 35% in 1999 and 50% in 2002). The requirements would apply to any packaging or containers used to protect, store, handle, transport, display, or sell products.

These requirements would not be applicable to tamper-resistant or tamper-evident seals; packaging for medication or medical devices; packaging merely being shipped through the state; packaging required by federal or state health or safety laws or regulations; or flexible film packaging necessary to prevent food from spoiling.

The state Department of Environmental Protection could also grant exemptions for packaging that represents an innovative approach for which additional time is needed to meet the requirements of the law; or packaging made of material that cannot be reused or recycled, and cannot be made of recycled material, but is being composted at a significant rate; or products for which there is no complying packaging and for which compliance with the law would impose undue hardship (other than increased cost) on Massachusetts residents. A person applying for an exemption would pay a fee to be used, subject to legislative appropriation, to pay the cost of administering the proposed law.

The Department would be required to issue regulations to carry out the proposed law and would be required to investigate suspected violations. After issuing a warning, the Department could assess administrative penalties of up to \$100 for each offense and up to \$10,000 for any single shipment or single continuing act of non-compliance. The state Attorney General could also file court actions for civil penalties of up to \$500 for each offense and up to \$25,000 for any single shipment or continuing act of non-compliance, and could seek a court order requiring compliance. Each non-complying piece of packaging would be considered a separate offense or act of non-compliance.

The proposed law states that if any of its provisions were declared invalid, the other provisions would remain in effect.

QUESTION 4

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 6, 1992?

YES	
NO	

SUMMARY

This proposed law would impose an excise tax on oil, toxic chemicals, and other hazardous substances, and would direct that the money raised, along with the fees paid by hazardous waste transporters and specific revenues under other state laws, be deposited in the state Environmental Challenge Fund. Money in the Fund would be used, subject to legislative appropriation, to assess and clean up sites that have been or may be contaminated by oil or hazardous materials, and to carry out and enforce the excise.

As of July 1, 1993, the excise would apply to persons, businesses, and other entities possessing 50,000 pounds or more of oil and toxic chemicals covered by the proposed law. Toxic chemicals would be covered if classified as toxic by the federal Environmental Protection Administration (EPA) under federal law. As of July 1, 1994, substances listed as hazardous by the EPA under federal law would also become subject to the excise.

Until June 30, 1995, the excise would be two-tenths of one cent (\$0.002) per pound. In later years, the state Commissioner of Revenue would set the excise rate at a level, not to exceed two-tenths of one cent per pound, sufficient to yield \$35 million annually in 1995 dollars.

The excise would not apply to gasoline or other special engine fuels, jet fuel taxed under other state law, numbers 1 or 2 fuel oil, kerosene, animal or vegetable oil, or waste oil classified as hazardous waste under other state law. Nor would the excise apply to oils, toxic chemicals, or hazardous substances merely being shipped through Massachusetts; or contained in a consumer product intended for retail sale; or present in a mixture at a concentration of less than one percent; or present in hazardous waste being transported by a licensed hazardous waste transporter who had paid or will pay a transporter fee under state law; or for which the excise tax has already been paid under the proposed law and which have not been reprocessed or recycled since payment of the excise.

The excise also would not apply to oils, toxic chemicals, or hazardous substances that are possessed by individuals for personal, non-business purposes; or are contained in vehicles or vessels intended to be used for normal purposes; or are produced in Massachusetts as a by-product of pollution control equipment or the clean-up of hazardous materials and are handled in compliance with federal and state environmental laws. Finally, the excise would not apply to toxic chemicals or hazardous substances in a manufactured product the use of which requires a specific shape or design and which does not release toxic substances under normal use.

Under the proposed law, the excise would ordinarily be collected from the first person or business within Massachusetts to come into possession of materials subject to the tax. If that person or business had not paid the excise a later possessor could be required to pay the excise and could then recover a corresponding amount from the first possessor. The proposed law would provide credits for excises paid on materials that become ingredients in the manufacture of other materials subject to the tax, and it would provide credits for similar excises or taxes paid to other states.

Persons possessing more than 25,000 pounds of materials subject to the excise in any six-month period would be required to obtain a license from the Commissioner of Revenue. The Commissioner could issue regulations establishing record-keeping and reporting requirements for persons possessing such materials. The Commissioner would collect the excise through procedures similar to those for other state taxes and could issue regulations to implement the proposed law.

The proposed law states that if any of its provisions were declared invalid, the other provisions would remain in effect.

QUESTION 1
LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 1994?

SUMMARY

This proposed law would limit the way in which business and certain nonprofit corporations could contribute to and spend money on campaigns involving an initiative, referendum or other question submitted to the voters at a state or local election. The proposed law would require ballot committees organized to support or oppose any question submitted to the voters to disclose promptly certain contributions made late in the campaign; would establish procedures that business and certain nonprofit corporations would have to follow in order to spend money on ballot question campaigns; and would establish voluntary spending limits for ballot committees.

The proposed law would require a ballot committee to report to the state Office of Campaign and Political Finance, within one business day of receipt, the name, address, occupation and employer of any person or organization making a contribution of \$1,000 or more, if the contribution was made before the date of the election but after the closing date of the last official campaign contribution report.

Under the proposed law, business and certain nonprofit corporations would be prohibited from making contributions or expenditures to support or oppose a ballot question, but would be permitted to create and solicit contributions to a separate fund to be used to support or oppose a ballot question. A separate fund would be required for each ballot question on which the corporation intended to solicit contributions. The corporation would be required to report all amounts spent to establish and administer the fund to the Office of Campaign and Political Finance, and to a city or town if the fund were established to influence the vote on a local ballot question.

Contributions to the separate fund could be solicited only from members or stockholders, officers and directors, and employees at a policymaking, managerial or professional level. Coercion, job discrimination and financial reprisals as methods of soliciting contributions would be prohibited. Nonprofit corporations that are formed for the purpose of promoting political ideas, do not engage in business activities, have no shareholders, and do not have business corporations as members or accept more than one percent of their revenues from such corporations would be exempt from these provisions. A business organization that violated these requirements could be fined up to \$50,000, and any director or agent of a business organization who violates or authorizes the violation of these requirements could be fined up to \$10,000 and/or imprisoned for up to one year.

The proposed law would establish voluntary spending limits for ballot committees at \$1,000,000 in the year of an election, and \$250,000 in the years immediately before and after an election. Ballot committees agreeing to observe these voluntary limits would be permitted to announce their compliance on advertisements and campaign materials. Ballot committees that agreed to observe the spending limits and later exceeded the limits could be fined up to \$10,000.

The proposed law states that if any of its provisions were declared invalid, the other provisions would remain in effect.

QUESTION 2
REFERENDUM ON AN EXISTING LAW

Do you approve of a law summarized below, which was approved by the House of Representatives on January 4, 1994, by a vote of 105 to 49, and approved by the Senate on January 4, 1994, by a vote of 26 to 11?

SUMMARY

This law requires drivers and passengers in certain motor vehicles on public ways to wear properly adjusted and fastened safety belts. The law applies to persons driving or riding in private passenger motor vehicles or riding in vanpool vehicles or trucks under 18,000 pounds. It also applies to employees of cities, towns, counties, and districts. The law does not apply to: (1) children under twelve years old who are required by another state law to use safety belts or other child passenger restraints; (2) vehicles manufactured before July 1, 1966; (3) persons certified by a physician as physically unable to use safety belts; (4) U.S. Postal Service rural carriers while performing their duties; (5) persons involved in operating taxis, liveries, tractors, trucks of 18,000 pounds or more, buses; or (6) passengers in authorized emergency vehicles.

The law is enforced by law enforcement agencies only when a driver has been stopped for a motor vehicle violation or some other offense. A driver and each passenger 16 years old or older may be fined \$25 for not using a safety belt when required. A driver may also be fined \$25 for each passenger between 12 and 16 years old who is not using a safety belt when required. A person who receives a citation for violating the law may challenge it using the same procedure that applies to most other automobile law violations. A violation is not considered a moving violation for motor vehicle insurance surcharge purposes.

The law directs the state Registrar of Motor Vehicles to require police officers, when reporting automobile accidents, to record whether safety belts were used. The law directs the Governor's Highway Safety Bureau to (1) conduct a public information and education program on motor vehicle occupant protection; (2) evaluate and report to the Legislature, by June 1, 1995, on the effectiveness of and degree of compliance with the law; and (3) make annual surveys of safety belt use.

The law requires the state Commissioner of Insurance to evaluate, report, and make recommendations to the Legislature concerning the effectiveness of the law and the frequency of bodily injury claims during the law's first year of operation. The Commissioner must also require at least a 5% reduction in bodily injury insurance premiums if the observed safety belt use rate among all vehicle occupants is 50% or more after the law's first year of operation. The Commissioner is required to take into account the annual safety belt use survey results in future decisions setting bodily injury premiums, and the Commissioner must further reduce those premiums if the safety belt use rate in Massachusetts exceeds the national average.

The law provides that failure to wear a properly fastened safety belt may not be considered as contributory negligence or used as evidence in any civil lawsuit. It also states that no insurance company may either (1) deny coverage to a person who failed to wear a safety belt during an accident that led to bodily injury, or (2) refuse to issue a motor vehicle liability policy based on a violation of this law.

QUESTION 3
REFERENDUM ON AN EXISTING LAW

Do you approve of a law summarized below, which was approved by the House of Representatives on May 28, 1993 by a vote of 112 to 39, and approved by the Senate on June 23, 1993 by a vote of 20 to 19?

SUMMARY

This law eliminates one of the two ways in which students may authorize fees to be assessed on tuition bills at state-operated colleges and universities to support nonpartisan student organizations that attempt to influence state legislation. The law applies to community and state colleges and the University of Massachusetts. The law takes the place of previous law that allowed a student body, by a majority vote in an official student body referendum, to authorize a "waivable fee," or (at state colleges and the University) an "optional fee," to be collected for such nonpartisan student organizations. Under this law, the boards of trustees at community and state colleges and the University are prohibited from collecting waivable fees and may only collect optional fees for such organizations.

A "waivable fee" is collected when authorized by a majority of those students voting in an official student body referendum. A waivable fee is an amount payable on a tuition bill, appearing as a separately assessed item and accompanied by a statement that the fee is not a charge required to be paid by the student but rather that the student may deduct the charge from the total amount due. The tuition bill also explains the nature of the fee and states that the fee appears on the bill at the request of the student body and does not necessarily reflect the endorsement of the board of trustees.

An "optional fee" is collected when authorized by a majority of those students voting in an official student body referendum. An optional fee is an amount payable on a tuition bill, appearing as a separately assessed item and accompanied by a statement that the fee is not a charge required to be paid by the student but rather that the student may add the charge to the total amount due. The tuition bill also explains the nature of the fee and states that the fee appears on the bill at the request of the student body and does not necessarily reflect the endorsement of the board of trustees.

QUESTION 4
LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 1994?

SUMMARY

This proposed law would prevent the name of a person from being printed on a state primary or general election ballot as a candidate for one of a number of specified state and federal public offices, if the person had already served a certain number of consecutive terms in that office within a fixed period preceding the end of the then-current term of office. If such a person were still elected by write-in vote to one of the state offices (except the office of Governor), the person would serve without a salary, and in some of the state offices, without payment for certain expenses.

Under the proposed law, the name of a person could not be printed on a primary or general election ballot as a candidate for the office of Governor, Lieutenant Governor, Secretary of State, State Treasurer, State Auditor, or State Attorney General, if the person had served two consecutive terms (eight years) in that office in the eleven years prior to the end of the then-current term of office. The name of a person could not be printed on a primary or general election ballot as a candidate for the office of Governor's Councillor, State Representative, State Senator, or United States Representative from Massachusetts, if the person had served four consecutive terms (eight years) in that office in the nine years prior to the end of the then-current term of office. The name of a person could not be printed on a primary or general election ballot as a candidate for the office of United States Senator from Massachusetts, if the person had served two consecutive terms (twelve years) in that office in the seventeen years prior to the end of the then-current term of office. The proposed law would not prevent any voter from casting a write-in vote for any person as a candidate for any office.

If a person made ineligible by the proposed law to have his or her name printed on the ballot as a candidate for the office of Lieutenant Governor, Secretary of State, State Treasurer, State Auditor, State Attorney General, Governor's Councillor, State Representative or State Senator were still elected to that office by write-in vote, the person would serve without a salary. If such a person were elected to the office of Lieutenant Governor, Governor's Councillor, State Representative or State Senator, the person would also serve without payment for certain expenses.

The current terms of the persons serving as Governor, Lieutenant Governor, Governor's Councillor, State Representative, State Senator, United States Representative from Massachusetts, and United States Senator from Massachusetts, would not be counted for purposes of the proposed law. The terms of the persons elected in 1990 to the office of Secretary of State, State Treasurer, State Auditor, or State Attorney General would be counted.

Any person who served more than half of a term in an office would be treated as having served a full term in that office. Any person who resigned from an office would be treated as having served a full term.

The proposed law states that if any of its provisions were found invalid, the other provisions would remain in effect.

QUESTION 5
LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 1994?

SUMMARY

This proposed law would allow retail stores to open at any time on Sundays and on the legal holidays of Memorial Day, July Fourth, and Labor Day. It would not affect current restrictions on the sale of alcoholic beverages on Sundays and these holidays. Stores opening under the proposed law would be required to make Sunday and holiday work voluntary and would be required to pay most employees at least one and one-half times their regular rate.

QUESTION 6
CONSTITUTIONAL AMENDMENT PROPOSED
BY INITIATIVE PETITION

Do you approve of the adoption of an amendment to the constitution, summarized below, which was approved by the General Court in joint sessions of the House of Representatives and the Senate on November 16, 1992, by a vote of 132 to 39, and on May 25, 1994, by a vote of 119 to 73?

SUMMARY

This proposed constitutional amendment would require Massachusetts income tax rates to be graduated, in order to distribute the burden of the tax fairly and equitably. The proposed amendment would require the rates for taxpayers in higher income brackets to be higher than the rates for taxpayers in lower income brackets. The proposed amendment would also allow the state Legislature to grant reasonable exemptions and abatements and establish the number and range of tax brackets. The proposed amendment would eliminate from the Massachusetts Constitution the present requirement that income taxes must be levied at a uniform rate throughout the state upon incomes derived from the same class of property.

QUESTION 7
LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 1994?

SUMMARY

This proposed law would change the state personal income tax laws if a proposed amendment to the Massachusetts Constitution requiring income tax rates to be graduated is approved at the 1994 state election. This proposed law would (1) set graduated income tax rates to replace the existing tax rate structure, (2) change exemptions and deductions relating to dependents, child care expenses, head of household status and personal exemptions, (3) establish a property tax and water rate credit of up to \$200 for taxpayers below certain income levels, (4) increase the maximum income levels for no-tax status and the limited income credit, (5) establish a "capital formation incentive" to replace the existing capital gains exclusion, and (6) provide that taxpayers will not pay more Massachusetts income tax for 1995 than they would have paid under 1992 law, if their 1995 adjusted gross income is below certain levels (for instance, \$60,000 for single filers and \$100,000 for married couples filing jointly).

(1) PROPOSED GRADUATED INCOME TAX RATES WOULD:

- Set the following state tax rates for all Massachusetts taxable income (after subtracting applicable deductions and exemptions):

Tax Rate	single	married filing jointly	married filing separately	head of household
	up to	up to	up to	up to
5.5%	\$50,200	\$81,000	\$40,500	\$60,100
8.8%	over \$50,200	over \$81,000	over \$40,500	over \$60,100
	up to \$90,000	up to \$150,000	up to \$75,000	up to \$120,000
9.8%	over \$90,000	over \$150,000	over \$75,000	over \$120,000

A taxpayer whose total taxable income exceeded the upper limit for the 5.5% or 8.8% income bracket would still be taxed at the lower rate for income within that bracket. For example, a single person with \$100,000 in taxable income would be taxed at 5.5% on \$50,200 of that income, at 8.8% on the next \$39,800, and at 9.8% on the remaining \$10,000 of that income. The income brackets would be increased annually, starting in 1996, to account for changes in the cost of living.

- Eliminate the existing division of Massachusetts income into Part A income (generally, dividends, capital gains, and certain interest), currently taxed at 12 percent, and Part B income (all other income), currently taxed at 5.95 percent.
- Create a "head of household" filing status for single persons who have dependents and who file federal returns as heads of households.
- Prevent any gain from the sale of a taxpayer's principal residence from being taxed by the state at a rate higher than 6%.
- Provide that non-residents would pay tax on their Massachusetts income based on the income rate brackets applicable to their total income (including Massachusetts and other income).

(2) PROPOSED CHANGES IN EXEMPTIONS, DEDUCTIONS AND CREDITS WOULD:

Replace the child and dependent care expense deduction with a child and dependent care tax credit equal to 60% of the federal child and dependent care tax credit.

- Increase the existing exemption for each claimed dependent from \$1,000 to \$2,000.
- Allow heads of households a personal exemption of \$3,400, plus \$2,200 if blind and \$700 if 65 years of age or over.
- Reduce personal exemptions gradually for taxpayers whose adjusted gross income exceeded \$60,000 for single filers, \$100,000 for married persons filing jointly, \$50,000 for married persons filing separately and \$80,000 for heads of households. The personal exemption would be eliminated entirely for filers whose adjusted gross incomes exceeded these amounts by more than \$50,000 (\$25,000 for married persons filing separately). These amounts would be increased annually, starting in 1996, to account for changes in the cost of living.
- Allow interest and dividends from deposits in all banks and institutions to qualify for the \$100 deduction (\$200 for married couples) currently applicable only to Massachusetts bank interest and dividends.
- Allow the \$1000 net capital loss deduction to be taken against all income, not just against Part A income as current law provides.

(3) PROPOSED PROPERTY TAX AND WATER RATE CREDIT WOULD:

- Create a property tax and water rate credit of up to \$200 for eligible homeowners and renters who have total incomes less than: \$30,000 for married couples, \$25,000 for head of household filers and \$20,000 for single filers. The amount of the credit would depend on the amount by which the taxpayers' real estate property tax and water charges exceeded 10% of their income. 20% of tenants' rent would be treated as a property tax payment for these purposes. If the taxpayer had no income tax due, the amount of any credit due would be paid to the taxpayer, as long as the state Legislature made any appropriation necessary to pay such refunds.

(4) PROPOSED \$2000 INCREASE IN THE EXISTING INCOME THRESHOLDS FOR NO-TAX STATUS WOULD:

- Exempt taxpayers at or below the following levels of adjusted gross income from paying income tax: \$14,000 for married couples filing jointly, \$12,000 for head of household filers, and \$10,000 for single filers. These levels would be adjusted annually, starting in 1996, to account for changes in the cost of living. The new levels also would apply to the limited income credit which is available to taxpayers with adjusted gross income up to 175 percent of these levels.

(5) PROPOSED CAPITAL FORMATION INCENTIVE WOULD:

- Replace the current 50% capital gains deduction with a "capital formation incentive" deduction, which would allow partial deductions for gains from the sale or exchange of qualified stock issued by certain corporations that employ 50% or more of their employees in Massachusetts.
- Only gains on original stock purchased on or after January 1, 1995 from certain corporations engaged in active business, and held for required periods of time, would qualify for the deduction. The amount of the deduction would be 30% of the gain on stock held at least 3 years; 50% for stock held at least five years; and 70% for stock held at least seven years. Detailed provisions would restrict the benefit of this deduction to stock issuances which reflect new investments in businesses, and would disqualify stock in certain types of corporations that receive special tax treatment under existing law.

(6) PROPOSED CAP ON TAX LIABILITY FOR CERTAIN TAXPAYERS IN 1995 WOULD:

- Excuse taxpayers at or below the following levels of adjusted gross income, as determined under the proposed law, from owing more Massachusetts income tax in 1995 than they would have owed under 1992 law: \$100,000 for married couples filing jointly, \$80,000 for heads of household, \$60,000 for single filers, and \$50,000 for married persons filing separately.

(7) EFFECTIVE DATE:

If the State Constitution is amended at the 1994 election to require graduated income tax rates, the proposed law would be effective beginning in tax year 1995. The proposed law states that if any of its provisions were found invalid, the other provisions would remain in effect.

Note: Wherever this summary refers to current or existing law, the reference is to the law in effect in August 1993, when this summary was prepared.

QUESTION 8

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 1994?

SUMMARY

This proposed law would increase the portion of gasoline tax revenue that would be credited to the state Highway Fund; prohibit the transfer of money from the Highway Fund to other state funds for other purposes; declare that citizens have a right to a safe and efficient public highway, road and bridge system and require the state to develop a comprehensive seven-year state transportation plan; and make certain other changes in state finance laws relating to the Highway Fund.

The proposed law would require that the small portion of state gasoline tax revenues that is deposited in funds relating to the use of watercraft be deposited instead in the Highway Fund. No revenue deposited in the Highway Fund could be transferred to any other state fund for any purpose other than one for which the Highway Fund may be used.

The proposed law would declare that the citizens of Massachusetts have a right to a safe and efficient public highway, road and bridge system, constructed and maintained by the state and its counties, cities and towns. The state Secretary of Transportation and Construction would be required to prepare a comprehensive state transportation plan for the period July 1, 1995 through June 30, 2002, to be updated every three years. The plan would provide for the repair or reconstruction of at least five percent of public highways and bridges every year, and it would establish priorities for highway, road and bridge projects based on condition and safety factors. The plan would be designed to promote economic development and employment by meeting the various transportation needs of residents throughout the state. The plan would be prepared after a public hearing and after consultation with the state Secretaries of Environmental Affairs and Economic Affairs.

Under the proposed law, money in the Highway Fund would no longer be considered in determining whether the state government has sufficient money on hand to set some aside for use in future fiscal years or to deposit some in the state tax reduction fund. The proposed law would declare that no more than 15% of gasoline tax revenues could be used for mass transportation purposes, but it would not prevent the state Legislature from appropriating additional gasoline tax revenues for such purposes.

The proposed law states that if any of its provisions were declared invalid, the other provisions would remain in effect.

QUESTION 9

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 4, 1994?

SUMMARY

This proposed law would prohibit rent control for most privately owned housing units in Massachusetts, and would nullify certain existing rent control laws, except that cities and towns would be authorized to adopt a restricted form of rent control for a six month period, after which compliance by property owners would be voluntary.

The proposed law would prohibit any city or town from enacting, maintaining or enforcing any law that requires below-market rents for residential properties. It would also prohibit the regulation of occupancy, services, evictions, condominium conversion, or the removal of the unit from rent control, if such regulation was part of a system requiring below-market rents. Existing state and local rent control laws would be nullified. The proposed law would not affect publicly owned or subsidized housing, federally assisted housing, or mobile homes.

Cities and towns would be authorized to adopt rent control for a six-month period on housing units that have a fair market rent of \$400 or less and that are owned by a person or entity owning ten or more rental units. Such rent control could not include the regulation of occupancy, services, evictions, condominium conversion, or the removal of the unit from rent control. The city or town would have to pay the owners of rent-controlled units the difference between the controlled rent and the fair market rent. After six months, owners of rent-controlled units would not be required to comply with the rent control regulation or with any other such regulation that the city or town might adopt in the future.

The proposed law would take effect on January 1, 1995. The proposed law states that if any of its provisions were declared invalid, the other provisions would remain in effect.

QUESTION #1

QUESTION 1 LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the Senate or the House of Representatives before May 1, 1996?

YES ☐

NO ☐

SUMMARY

This proposed law would prohibit the use of certain traps for fur-bearing mammals, prohibit certain methods of hunting bear or bobcat, and eliminates some restrictions on who may serve on the state Fisheries and Wildlife Board.

The proposed law would prohibit the use, setting, manufacture, or possession of any trap to capture fur-bearing mammals, except common mouse and rat traps, nets, and box or cage traps that confine a whole animal without grasping any part of it. Traps designed to grip an animal's body or body part, such as steel jaw leghold traps, padded leghold traps, and snares, would be prohibited. Federal and state health officials could use such traps in case of a threat to human health or safety. Where a property owner had reasonably tried but failed to correct an animal problem on the property using a legal trap, the owner could apply for and the state Director of Fisheries and Wildlife could issue a permit to use a prohibited type of trap, except a leghold trap, for up to 30 days to correct the problem.

A person violating any of these requirements could be punished by a fine of between \$300 and \$1000, or imprisonment for up to 6 months, or both, for each prohibited trap and each day of violation. A person convicted for a second violation would be required to surrender, and could never again obtain, any trapping license or problem animal control permit.

The proposed law would also prohibit the pursuit or hunting of bear or bobcat with the aid of a dog or dogs. Hunting bear using any type of bait, lure, or attraction, or knowingly hunting bear in a baited area, would also be prohibited. The Director could allow the use of dogs or bait in legitimate scientific research projects and in order to control particular animals that posed a threat to human safety or that destroyed livestock, property, or crops.

Violators could be punished by a fine of between \$300 and \$1000, or imprisonment for up to 6 months, or both, for each violation. A person convicted for a second violation would be required to surrender, and could never again obtain, any hunting and dog training licenses and permits.

The proposed law would eliminate the requirement that five members of the state Fisheries and Wildlife Board have held sporting licenses in the state for five consecutive years and that four members represent fishing, hunting, and trapping interests.

The proposed law states that if any of its provisions were declared invalid, the other provisions would remain in effect.

A YES VOTE would prohibit the use of certain traps for fur-bearing mammals, prohibit certain methods of hunting bear or bobcat and eliminate some restrictions on who may serve on the Fisheries and Wildlife Board.

A NO VOTE would make no change in the trapping or hunting laws, and would retain restrictions on who may serve on the Fisheries and Wildlife Board.
